About this event
Lors de cet événement, vous aurez l'occasion de collaborer étroitement avec d'autres créateurs de jeux utilisant Godot.
Cinq participants pourront partager leurs expériences, les défis qu'ils ont affrontés et les solutions qu'ils ont trouvées, afin de progresser tous ensemble. Apportez votre matériel nécessaire pour vos présentations.
Au bar, nous favoriserons une ambiance conviviale et solidaire où chacun pourra participer activement à des discussions enrichissantes. L'objectif est de créer un espace d'entraide où chaque personne peut contribuer et bénéficier des échanges.
Ne laissez pas la timidité vous empêcher de vous présenter, quel que soit l'état de votre projet. Vous n'avez qu'un concept ? Vous êtes en pré-production ? Aucun souci !
Cette rencontre est ouverte à toutes et à tous !
