

Welcome to the Microkernel and Component-Based OS Devroom

About the Microkernel Devroom

- ❖ This is [FOSDEM #25](#)
 - and Microkernel Devroom **#14** (since 2012)
- ❖ **Organized by members of our community**
 - in 2025 by BlueRock Security, Inc. (formerly BedRock)
- ❖ **This year's devroom managers**
 - Udo Steinberg
 - Alexander van der Grinten

Review and Talk Selection

❖ **17 submissions this year (+ 1 late)**

- Only 9 fit into the [schedule](#)
- Talks with review score ≥ 6 were accepted
- Based on reviews, some talks have 25 instead of 20 minutes

❖ **Additional Reviewers**

- Norman Feske (Genode)
- Adam Lackorzynski (Kernkonzept)
- Julian Stecklina (Cyberus)

General Devroom Guidelines

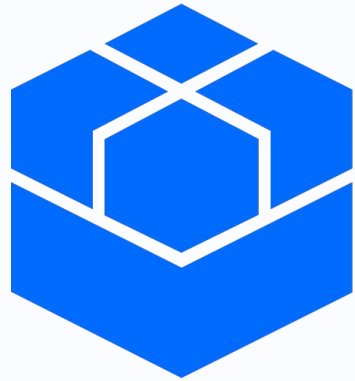

SCAN ME

❖ Talks are quite time-constrained

- Use the 5 minutes in between talks to leave/enter the room
- Ask questions during Q&A at the end of a talk (or in the chat)
- Use the [Matrix Chatroom](#) for additional discussions
- Turn lengthy discussions into hallway conversations

❖ Adhere to the FOSDEM [Code of Conduct](#)

- Be open-minded and nice to each other
