New: Talk Nominations!

Do you know of someone who would give a great talk in the main track at FOSDEM?

Did you see a splendid talk in another conference or devroom?

An interesting project which many people would be interested in hearing more about?

Help us, please?

Take trash with you

If you have some time, please help clean up

You can keep the network cables you remove (under guidance!) and
get food once we're done

Dance :)

See you next year!
