CONTRIBUTING.yaml

What kinds of support does your project need?

"I need help for my project!"

"I can code, but need help making a website"

"I have a meetup, but need help with finding speakers"

"My project needs a logo"

"I need help with translating and I18N"

CONTRIBUTING.md

(but machine-readable)

CONTRIBUTING.yaml

Help maintainers communicate…

· Project status

· Support intentions

· Support needs

Project *status*

- Active
- Archived / Deprecated / Superseeded
- Done
- Abandoned*
- Adoptable
- Under custodianship*
- … (and others!)

*Non-maintainer claim

Support *intentions*

· Maintained

· Casual Maintenance

· No Maintenance

· Security fixes only

· Commercial support available

· ... (and more!)

·

Casual Maintenance Intended ~
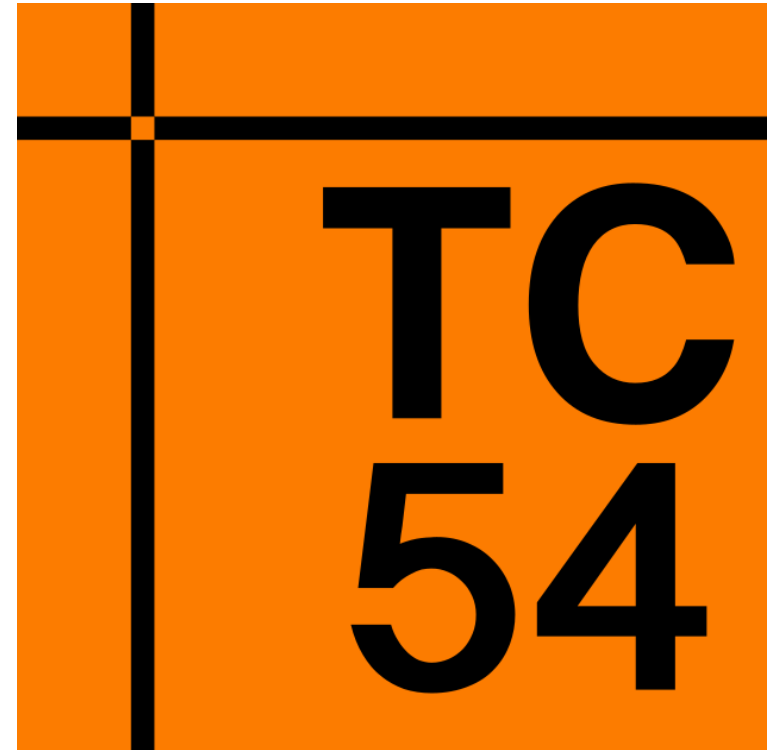

No Maintenance Intended ✕

Support *needs*

- Code review
- Community building and management
- Bug & security triage
- Graphic design
- Writing articles
- Mentor for Summer of Code or Season of Docs
- ... (120+ more!)

Specification & JSON Schema

- Work in progress!
- ECMA standardization track
- TC54.org/contributing-yaml

What needs do *you* have?

· Use cases and stories

· "I wish I had help with `$something` for my project!"

· Your experiences from running Open Source communities

How we work

- Bi-weekly meetings
- `#workstream-oss-sustainability` on CycloneDX Slack
- Requirements in shared doc
- Spec details in git

Join the CONTRIBUTING.yaml project!

- [CycloneDX Slack invite](#)

- **Salve J. Nilsen** (CPANSec)
- Steve Springett (OWASP)
- **Piotr P. Karwasz** (ASF)
- Chris de Almeida (OpenJS)
- … (and others!)
